**Proposal to Renew Senior Millage**

This proposal reestablishes the ½ mill senior millage previously approved by the electors that expired after the December, 2021 levy. Specifically, the proposal renews the previously authorized .4989 mills and restores the .0011 mills rolled back by the Headlee Amendment.

Shall the tax limitation imposed under Article IX, Section 6 of the Michigan Constitution on the amount of ad valorem taxes which may be levied by the County of Cheboygan, State of Michigan, against taxable property in the County be increased by up to .5 mills (\$.50 per \$1,000 of taxable value) for a period of four (4) years, 2022 through 2025, inclusive, for the purpose of providing funds for senior citizen services within the county, including capital improvements at the senior centers, and shall the Cheboygan County Board of Commissioners be authorized to levy such millage for this purpose? If approved and levied in its entirety, this millage would raise an estimated \$813,737 for Cheboygan County in 2022.

**Proposal to Renew Senior Millage**

This proposal reestablishes the ½ mill senior millage previously approved by the electors that expired after the December, 2021 levy. Specifically, the proposal renews the previously authorized .4989 mills and restores the .0011 mills rolled back by the Headlee Amendment.

Shall the tax limitation imposed under Article IX, Section 6 of the Michigan Constitution on the amount of ad valorem taxes which may be levied by the County of Cheboygan, State of Michigan, against taxable property in the County be increased by up to .5 mills (\$.50 per \$1,000 of taxable value) for a period of four (4) years, 2022 through 2025, inclusive, for the purpose of providing funds for senior citizen services within the county, including capital improvements at the senior centers, and shall the Cheboygan County Board of Commissioners be authorized to levy such millage for this purpose? If approved and levied in its entirety, this millage would raise an estimated \$813,737 for Cheboygan County in 2022.

**Inland Lakes Schools  
Operating Millage Proposal**

This proposal will allow the school district to continue to levy the statutory rate of not to exceed 18 mills on all property, except principal residence and other property exempted by law, required for the school district to receive its full revenue per pupil foundation allowance and restores millage lost as a result of the reduction required by the "Headlee" amendment to the Michigan Constitution of 1963.

Shall the currently authorized millage rate limitation on the amount of taxes which may be assessed against all property, except principal residence and other property exempted by law, in Inland Lakes Schools, Cheboygan County, Michigan, be renewed by 17.8956 mills (\$17.8956 on each \$1,000 of taxable valuation) for a period of 4 years, 2023 to 2026, inclusive, and also be increased by .5 mill (\$.50 on each \$1,000 of taxable valuation) for a period of 5 years, 2022 to 2026, inclusive, to provide funds for operating purposes; the estimate of the revenue the school district will collect if the millage is approved and if 0.1044 mill of the above is levied in 2022 is approximately \$28,626, and if 18 mills of the above are levied in 2023 is approximately \$5,034,398 (this millage is a renewal of millage that will expire with the 2022 levy and a restoration of millage lost as a result of the reduction required by the "Headlee" amendment to the Michigan Constitution of 1963)?

**Proposal to Renew Senior Millage**

This proposal reestablishes the ½ mill senior millage previously approved by the electors that expired after the December, 2021 levy. Specifically, the proposal renews the previously authorized .4989 mills and restores the .0011 mills rolled back by the Headlee Amendment.

Shall the tax limitation imposed under Article IX, Section 6 of the Michigan Constitution on the amount of ad valorem taxes which may be levied by the County of Cheboygan, State of Michigan, against taxable property in the County be increased by up to .5 mills (\$.50 per \$1,000 of taxable value) for a period of four (4) years, 2022 through 2025, inclusive, for the purpose of providing funds for senior citizen services within the county, including capital improvements at the senior centers, and shall the Cheboygan County Board of Commissioners be authorized to levy such millage for this purpose? If approved and levied in its entirety, this millage would raise an estimated \$813,737 for Cheboygan County in 2022.

**Inland Lakes Schools Operating Millage Proposal**

This proposal will allow the school district to continue to levy the statutory rate of not to exceed 18 mills on all property, except principal residence and other property exempted by law, required for the school district to receive its full revenue per pupil foundation allowance and restores millage lost as a result of the reduction required by the "Headlee" amendment to the Michigan Constitution of 1963.

Shall the currently authorized millage rate limitation on the amount of taxes which may be assessed against all property, except principal residence and other property exempted by law, in Inland Lakes Schools, Cheboygan County, Michigan, be renewed by 17.8956 mills (\$17.8956 on each \$1,000 of taxable valuation) for a period of 4 years, 2023 to 2026, inclusive, and also be increased by .5 mill (\$.50 on each \$1,000 of taxable valuation) for a period of 5 years, 2022 to 2026, inclusive, to provide funds for operating purposes; the estimate of the revenue the school district will collect if the millage is approved and if 0.1044 mill of the above is levied in 2022 is approximately \$28,626, and if 18 mills of the above are levied in 2023 is approximately \$5,034,398 (this millage is a renewal of millage that will expire with the 2022 levy and a restoration of millage lost as a result of the reduction required by the "Headlee" amendment to the Michigan Constitution of 1963)?

**Proposal to Renew Senior Millage**

This proposal reestablishes the ½ mill senior millage previously approved by the electors that expired after the December, 2021 levy. Specifically, the proposal renews the previously authorized .4989 mills and restores the .0011 mills rolled back by the Headlee Amendment.

Shall the tax limitation imposed under Article IX, Section 6 of the Michigan Constitution on the amount of ad valorem taxes which may be levied by the County of Cheboygan, State of Michigan, against taxable property in the County be increased by up to .5 mills (\$.50 per \$1,000 of taxable value) for a period of four (4) years, 2022 through 2025, inclusive, for the purpose of providing funds for senior citizen services within the county, including capital improvements at the senior centers, and shall the Cheboygan County Board of Commissioners be authorized to levy such millage for this purpose? If approved and levied in its entirety, this millage would raise an estimated \$813,737 for Cheboygan County in 2022.

**Inland Lakes Schools  
Operating Millage Proposal**

This proposal will allow the school district to continue to levy the statutory rate of not to exceed 18 mills on all property, except principal residence and other property exempted by law, required for the school district to receive its full revenue per pupil foundation allowance and restores millage lost as a result of the reduction required by the "Headlee" amendment to the Michigan Constitution of 1963.

Shall the currently authorized millage rate limitation on the amount of taxes which may be assessed against all property, except principal residence and other property exempted by law, in Inland Lakes Schools, Cheboygan County, Michigan, be renewed by 17.8956 mills (\$17.8956 on each \$1,000 of taxable valuation) for a period of 4 years, 2023 to 2026, inclusive, and also be increased by .5 mill (\$.50 on each \$1,000 of taxable valuation) for a period of 5 years, 2022 to 2026, inclusive, to provide funds for operating purposes; the estimate of the revenue the school district will collect if the millage is approved and if 0.1044 mill of the above is levied in 2022 is approximately \$28,626, and if 18 mills of the above are levied in 2023 is approximately \$5,034,398 (this millage is a renewal of millage that will expire with the 2022 levy and a restoration of millage lost as a result of the reduction required by the "Headlee" amendment to the Michigan Constitution of 1963)?

Inland Lakes Schools Operating Millage Proposal

This proposal will allow the school district to continue to levy the statutory rate of not to exceed 18 mills on all property, except principal residence and other property exempted by law, required for the school district to receive its full revenue per pupil foundation allowance and restores millage lost as a result of the reduction required by the "Headlee" amendment to the Michigan Constitution of 1963.

Shall the currently authorized millage rate limitation on the amount of taxes which may be assessed against all property, except principal residence and other property exempted by law, in Inland Lakes Schools, Cheboygan County, Michigan, be renewed by 17.8956 mills (\$17.8956 on each \$1,000 of taxable valuation) for a period of 4 years, 2023 to 2026, inclusive, and also be increased by .5 mill (\$0.50 on each \$1,000 of taxable valuation) for a period of 5 years, 2022 to 2026, inclusive, to provide funds for operating purposes; the estimate of the revenue the school district will collect if the millage is approved and if 0.1044 mill of the above is levied in 2022 is approximately \$28,626, and if 18 mills of the above are levied in 2023 is approximately \$5,034,398 (this millage is a renewal of millage that will expire with the 2022 levy and a restoration of millage lost as a result of the reduction required by the "Headlee" amendment to the Michigan Constitution of 1963)?
